Police Department County of Hawai'i

2014–2015 Annual Report

Hawai'i County Police Commission
County of Hawai'i
Aupuni Center
101 Pauahi Street, Suite 9
Hilo, Hawai'i 96720

Dear Commissioners:

In Fiscal Year 2014–2015, as in previous years, the Hawai'i Police Department followed its mission to work cooperatively with the community to enforce the laws, preserve peace, and provide a safe environment.

This fiscal year, nature presented additional challenges. In August 2014, Tropical Storm Iselle damaged homes, toppled power lines and left thousands of residents, mostly in Puna, without water or refrigeration. In addition to regular police duties, officers helped distribute water and ice to residents in need and increased patrols to discourage looting. Then, before normalcy could be restored, lava threatened to cross Highway 130, isolate Puna residents and cause the Pāhoā police station to become inaccessible to some of the citizens it serves. The department made contingency plans and participated in weekly meetings designed to update the public about what appeared at the time to be an imminent disaster.

Also this fiscal year, our officers made Active Shooter presentations in Waimea, Kona, Na'alehu, Laupāhoehoe, North Kohala and Puna to help individuals learn how to increase their survivability should they encounter an active shooter or other type of active violent incident.

Additionally, the department reached out to our *kupuna* by holding community meetings in Kona, South Kohala, Hilo and Puna in a multi-agency presentation addressing Medicare and securities fraud prevention, prescription drug misuse prevention, medical identity theft, and tips on how to secure homes to prevent burglaries and thefts. We also partnered with the State of Hawai'i Narcotics Enforcement Division and the Federal Drug Enforcement Administration to accept and safely dispose of unused or expired prescription medication.

Community interactions like these, in conjunction with Community Policing operations throughout the island, help us stay in touch with the needs of our community.

I am honored to oversee the men and women of the Hawai'i Police Department as we continue to develop partnerships with the community so we can work together to keep you safe.

Sincerely,

HARRY S. KUBOJIRI
POLICE CHIEF
HAWAII POLICE DEPARTMENT

Harry S. Kubojiri
Police Chief
Hawai'i Police Department

Hawai'i County Police Commission

The Honorable William P. Kenoi
Mayor, County of Hawai'i
25 Aupuni Street
Hilo, Hawai'i 96720

Guy Schutte, Chair
Hawai'i County
Police Commission

Dear Mayor Kenoi:

During the year, the Hawai'i Police Commission held its monthly meetings in Hilo, Kona, and Waimea in order to accommodate the public.

We had the privilege of attending various community functions, including monthly police commanders meetings, recruit graduation and police week ceremonies. We attended the State of Hawai'i Police Commissioners' Conference, where we learned about issues facing police departments today and were able to discuss common interests and concerns of civilian oversight. We attended the Hawai'i State Law Enforcement Association Conference, where we learned about current issues facing law enforcement and honored the law enforcement officers of the year.

We are committed to our duties of civilian oversight and service to the people of Hawai'i County. It has been an honor to serve as Police Commissioners.

Sincerely,

GUY SCHUTTE
CHAIR

HAWAII COUNTY POLICE COMMISSION

Hawai'i County Police Commission

Top row—Kenneth Ono, Robert Gomes Sr, John Bertsch, Peter Hendricks

Bottom Row—Keith Morioka, Karolyn Lundkvist, Leroy Victorine, Guy Schutte

Nine Big Island residents serve on the Hawai'i County Police Commission. The mayor appoints one member from each district and each appointment is subject to confirmation by the Hawai'i County Council.

The commission's most important responsibilities, as delineated in the Hawai'i County Charter, are to appoint and remove the police chief at its sole discretion, confirm the chief's appointment of a deputy chief, and consider public complaints against the department or any of its members and then submit findings to the chief.

According to the County Charter, the commission's other functions are to:

- ▶ Adopt rules it may consider necessary for the conduct of its business and regulation of the matters committed to its charge, and review the rules and regulations of the department

- ▶ Review the department's annual budget prepared by the police chief and make recommendations thereon to the managing director and mayor

- ▶ Submit an annual report to the mayor

and the County Council

- ▶ Advise the police chief on police-community relations

- ▶ Hire personnel necessary to carry out its functions

- ▶ Evaluate at least annually the performance of the police chief and submit a report to the mayor, managing director and County Council

During Fiscal Year 2014–2015, the Police Commission members were:

- ▶ Council District 1 — Peter L. Hendricks

- ▶ Council District 2 — Leroy J. Victorine / Peggy Hilton

- ▶ Council District 3 — Keith Morioka

- ▶ Council District 4 — Karolyn P. Lundkvist

- ▶ Council District 5 — Ka'ili Pe'a-Ferrari / Arthur Buckman

- ▶ Council District 6 — Robert G. Gomes Sr.

- ▶ Council District 7 — Kenneth T. Ono

- ▶ Council District 8 — John M. Bertsch

- ▶ Council District 9 — Guy Schutte

Special Response Team (SRT)

Lieutenant Thomas Shopay, Special Response Team commander, sits in the driver's seat as Sergeant Calvin Delaries pops his head out of the hatch of one of SRT's specialized vehicles.

The mission of the Special Response Team is to support the Hawai'i Police Department and any other requesting law enforcement agencies with a response to critical incidents, such as hostage situations, barricade situations, sniper situations, high-risk warrant service and special assignments. The team also provides security for visiting dignitaries.

The Special Response Team consists of specially selected officers who train extensively throughout the year to ensure operational readiness. SRT includes a crisis negotiation team that receives special training to develop communication skills that are necessary for defusing volatile situations.

SRT's incident commander, tactical team, crisis negotiation team and support personnel conduct scenario training multiple times a

year at different locations throughout Hawai'i Island to ensure operational readiness.

From July 2014 through June 2015, the Special Response Team served one high-risk warrant, responded to two barricaded situations and provided three security details.

The Special Response Team is also tasked with managing the department's conducted electrical weapon program, firearms instructor program, patrol rifle program, all hazards training, rapid response to active threats training, and annual use-of-force review. In addition, SRT provides training to recruit officers in basic tactics and active shooter response along with participating in community outreach programs on various topics.

From its inception through June 2015, SRT responded to 146 incidents.

Community Policing

Commanders: Area I, Lt. Darren Horio/ Area II, Sgt. Floyd Cody Richards

The Hawai‘i Police Department continues to expand and improve its Community Policing partnerships with community, neighborhood and business organizations. These partnerships help the Police Department with preventing crime, reducing the fear of crime, arresting those who commit crimes and providing a safe environment through use of proactive problem-solving techniques, community awareness, increased community and neighborhood involvement.

At the end of Fiscal Year 2014–2015, the Community Policing Unit had 38 authorized positions island-wide, including a supervising sergeant in Area II and a lieutenant in Area I. Of those, 27 positions were allocated for Community Policing officers, six for school resource officers and one for a civilian.

Community Policing officers maintain constant communication with community, neighborhood and business leaders and organizations to address not only criminal and traffic issues, but also social issues, such as homelessness and parks and recreations safety. These officers offer communities a variety of crime prevention methods and presentations, community and youth beneficial events, and traffic safety and enforcement. Beside the continual establishment of Neighborhood Watches, Community Policing officers continue to coordinate other government and private agencies together with community and

business groups to pursue the mission of safe neighborhoods and communities.

Community Police bike patrols in downtown Hilo, Banyan Drive, Pāhoa Town, Kailua Village and Ali‘i Drive have proven very effective in addressing street-level crimes, public nuisance complaints, special community events, recurring problems and property crimes. Bike patrols provide officers with the advantage of speed, stealth and surveillance for liquor violations, drug use and traffic enforcement. The improved presence further increases safety for our island’s visitors and residents.

School resource officers assigned to intermediate and elementary schools build positive choice relationships with the students while providing assistance and guidance to school staff and faculty for safe and drug free campuses. Officers mentor students daily and participate in school intramural activities. School resource officers also provide Drug Abuse Resistance Education classes during the year, ending with a D.A.R.E. Day reward for all D.A.R.E. graduates in Kona and Hilo filled with local celebrities, food and fellowship.

Community Policing officers and school resource officers conduct HI-PAL activities throughout the year targeting children who may be at risk of either being crime victims or making poor personal choices. These activities are provided and designed to teach and steer youth toward healthy and legal choices.

Other notable Community Policing/HI-PAL activities include:

- ▶ Merrie Monarch Festival
- ▶ Downtown Hilo Ho'olaulea
- ▶ Hilo Independence Day festivities
- ▶ Kona Independence Day Parade
- ▶ Kona Christmas Day Parade
- ▶ Keiki ID projects
- ▶ Graffiti paint-over projects and beautification projects
- ▶ Sign-waving projects that raise community awareness about domestic violence, child/vehicle safety, traffic safety, drug abuse and other community concerns
- ▶ Child passenger safety seat checks and clinics
- ▶ Downtown Hilo Neighborhood Watch
- ▶ Aloha Patrol
- ▶ Kokua Pāhoa meetings and activities
- ▶ VASH meetings and activities
- ▶ Bicycle Patrol in Pāhoa, Downtown Hilo, Banyan Drive, Kailua Village, Ali'i Drive, county parks and at special events
- ▶ Kurtistown Family Fun Day
- ▶ Mountain View Family Fun Day
- ▶ Kea'au Family Fun Day
- ▶ Halloween safety presentations for parents and children island-wide
- ▶ Aloha Patrol on Ali'i Drive
- ▶ Beach Sweeps on Ali'i Drive and at county beach parks
- ▶ Business Watch for Kailua-Kona
- ▶ Abandoned vehicle beautification projects
- ▶ Community and business association meetings
- ▶ Illegal hunting education project

Office of Professional Standards/ Criminal Intelligence Unit

Commander: Capt. Kenneth Bugado

The Office of Professional Standards (OPS) and Criminal Intelligence Unit (CIU) report directly to the police chief.

Office of Professional Standards (OPS)

Office of Professional Standards Mission Statement

The mission of The Office of Professional Standards is to protect and serve the public, the employee and the department through fair, thorough and proactive investigations of alleged misconduct, while preserving the spirit of aloha.

The primary responsibility of the Office of Professional Standards, formerly known as the Internal Affairs Unit, is to ensure the integrity of the Hawai'i Police Department by performing fair and thorough investigations of alleged misconduct by its employees. The Office of Professional Standards conducts investigations of complaints brought directly to the attention of the department or through the Hawai'i Police Commission.

The Office of Professional Standards conducts quality control and compliance inspections of department areas, property, vehicles, personnel and issued equipment.

The unit also assists administration personnel in conducting the department's

drug testing program.

The Office of Professional Standards includes two selected detectives assigned to Police Headquarters. The unit falls under the command of a captain, who reports to the Office of the Chief.

During Fiscal Year 2014–2015, the Office of Professional Standards conducted 21 administrative investigations, 55 internal inquiries into actions by police department personnel and provided 36 in-service training sessions to employees. The Office of Professional Standards also conducted 30 quality control and compliance inspections of various elements of the department to prevent abuse, misuse, fraud, and waste of department resources.

Criminal Intelligence Unit (CIU)

The mission of the Criminal Intelligence Unit is to collect, evaluate, analyze, and disseminate intelligence data regarding criminal and terrorist activity to aid the Hawai‘i Police Department in a proactive approach of enforcing laws, preserving peace and providing a safe environment.

The Criminal Intelligence Unit consists of two detectives and four officers assigned to Police Headquarters, equally divided among the Hilo and Kona stations. The unit is commanded by a captain, who reports directly to the Office of the Chief.

The Criminal Intelligence Unit gathers information from all sources in a manner consistent with the law in support of efforts to provide intelligence on the existence, identities and capabilities of criminal suspects and enterprises. The unit also conducts background investigations on applicants seeking employment with the Hawai‘i Police Department and criminal history checks of other county, state and federal agencies.

The Criminal Intelligence Unit is part of the Inter-County Criminal Intelligence Unit, which includes the intelligence units of the Honolulu Police Department, Maui Police

Department and Kauai Police Department.

The Criminal Intelligence Unit is a member of the Law Enforcement Intelligence Unit, which is composed of law enforcement agencies in the United States, Canada and Australia.

The Criminal Intelligence Unit is also part of the Joint Terrorism Task Force, whose mission is to partner with the FBI to maximize cooperation and to create a cohesive unit capable of addressing the most complex terrorism investigations.

In addition, the Criminal Intelligence Unit is part of the U.S. Marshal’s Service Hawai‘i Fugitive Task Force, whose mission is to investigate and arrest — as part of a joint law enforcement operation — persons who have active state and federal felony warrants for their arrest.

During Fiscal Year 2014–2015, the Criminal Intelligence Unit submitted 336 intelligence reports, conducted 431 criminal history checks, provided 144 in-service training sessions and provided intelligence information, which, in whole or in part, led to the initiation of 60 criminal investigations.

Administrative Bureau

Commander— Assist. Chief Marshall Kanehailua

The Administrative Bureau is divided into two divisions: Administrative Services and Technical Services. A police major heads each one.

Administrative Services Division

Commander: Maj. Samuel Thomas

The Administrative Services Division includes the Accreditation Section, the Finance Section, the Word Processing Center, the Public Relations Section, the Community Relations Section, the Training Section and the Special Response Team.

The **Accreditation Section** is responsible for maintaining accreditation for the Hawai'i Police Department. The staff consists of one lieutenant, who is the accreditation manager, two sergeants and a clerk. Since the initial award of CALEA accreditation from the Commission on Accreditation for Law Enforcement Agencies (CALEA)[®] in November 2012, the Accreditation Section prepared for the first re-assessment in July 2015 (Fiscal Year 2015–2016) to determine if the department continues to meet the 469 various CALEA Standards. Accreditation raises the professionalism of the agency and provides improved community service.

The **Finance Section** is responsible for payroll, accounts payable, officers' gas and oil accounts, special duty work, inventory and other finance-related tasks.

The **Word Processing Center** is responsible

for transcribing all narrative police reports that sworn personnel dictate into an internet/web-based Dictation Enterprise Platform system. The system was implemented in September 2010, replacing an aged and outdated on-site digital recording system.

Throughout the 2014–2015 fiscal year, the Word Processing Center managed to keep up with the high workload through hard work and perseverance. The dictated reports transcribed by the Word Processing Center are routed via the Records Management System for officers' approval and timely prosecution.

The reports become the official documents that detail the Police Department's criminal investigations. The Word Processing Center consists of one clerical services supervisor, one assistant clerical supervisor and 13 clerks. In Fiscal Year 2014–2015, nearly 30,000 reports were transcribed totaling more than 270,000 minutes of dictation.

The **Public Relations Section** is responsible for maintaining the department's website and Nixle alerts, responding to inquiries from the news media, producing

the cable access television program “Hawai‘i Island’s Most Wanted” and publishing the department’s annual report and employee newsletter. In Fiscal Year 2014–2015, the department published 543 media releases to the department’s website and through the Nixle service that allows the public to receive text messages, emails or both directly from the Police Department.

The **Community Relations Section** is responsible for maintaining programs to help the community and increase its awareness of police operations, which include station tours for civic groups, students, parents and out-of-town visitors as well as managing requests for speakers on police-related subjects for community groups, scouts and schools.

The **Human Resources Section** in cooperation with the Hawai‘i County Department of Human Resources conducted various open and internal recruitments for sworn and civilian vacancies, which resulted in the hiring of 35 police recruits, seven police radio dispatchers, one inter-governmental movement, five School Crossing Guards, three clerks, two account clerks, one storekeeper, one accountant IV, one police operations

clerk, one police evidence specialist, one criminalist, one police records clerk, two information systems analysts and one human resources specialist. Internally, there were 17 temporary promotions to police officer III, one temporary promotion to police investigative operations clerk, one promotion to police records analyst and one promotion to police records clerk.

During Fiscal Year 2014–2015, the **Training Section** conducted training for the 82nd Police Recruit Class, which began with 16 police officers. The department continued providing “Aloha in Difficult Times” and “Cultural Diversity” training. Recruit officers received a wide variety of field training while riding along with and being evaluated by field training officers. That training included the practical applications of criminal investigations, principles of police patrol, interview and interrogation, constitutional and citizens’ rights, federal, state and county statutes, and other topics pertinent to law enforcement. Also during this year, the Police Department provided 62,239 hours of instruction and training to its sworn police officers and civilian employees.

Technical Services Division

Commander: Maj. James O’Connor

The Technical Services Division is in charge of the Communications Dispatch Center, Communications Maintenance Section, Computer Center, Records and Identification Section and Traffic Services Section.

During the 2014–2015 fiscal year, the **Communications Dispatch Center** received 230,113 9-1-1 calls, a 6.8 percent increase over the previous fiscal year, with 11.6 percent of those transferred to the Hawai‘i Fire Department.

All requests for police service are recorded, logged and assigned by Dispatch personnel using a computer aided dispatch system with six to seven dispatchers on shift at any given time

The Dispatch Center documented 224,209 calls for service during this fiscal year, a 17.5 percent increase over the previous year. Mondays (with 33,885 calls for service) and Fridays (with 34,902 calls for service) were shown to be the busiest days overall.

The Dispatch Center fulfills requests for 9-1-1 and other audio recordings and information for the Office of the Prosecuting Attorney, officer and internal investigations, as well as the general public. During this fiscal year, the Center completed 534 requests for such information compared with 473 the prior year, a 12.9 percent increase.

In May 2015, the Positron mapping system was replaced by a newer Mapflex system from Intrado, which helps 9-1-1 operators locate callers with integrated Pictometry imagery overlays on their base map. Work continues on Next Generation 9-1-1 features, including text to 9-1-1 implementation, which was scheduled for the latter half of the 2015 calendar year. Upcoming projects include a new CAD/RMS/Mobile system from Spillman Technologies with a projected go-live date in 2017.

The **Communications Maintenance Section** is responsible for maintenance and repair of all county-owned radio sites. This includes towers, shelters, microwave radios, repeaters, base radios, mobile radios and handheld portable radios.

The Communications Maintenance Section installs and maintains all radio and emergency warning equipment in the

Police Department's fleet and subsidized vehicles. During Fiscal Year 2014–2015, the Communications Maintenance Section completed 119 installations in Police Department vehicles and 11 Public Works Road Department vehicles.

The Communications Maintenance Section repaired 44 Civil Defense sirens and performed preventive maintenance on an additional 22 sirens.

The Communications Maintenance Section conducted 134 preventive maintenance inspections of district stations and radio sites during Fiscal Year 2014–2015.

The **Computer Center** is responsible for interconnectivity between all police stations and substations, assuring a secured networking infrastructure, installing and maintaining computer equipment, installing and troubleshooting software systems and providing technical assistance for varying computer issues. During Fiscal Year 2014–2015, the Computer Center deployed new desktop computer systems to replace systems that were procured in 2003, as well as receiving 100 new Mobile Data Terminals for use by the patrol officers. The Computer Center responded to 4,614 calls and provided 27 hours of in-service training.

The **Records and Identification Section** has several internal subsections — Records, Identification, Firearms and Evidence — with a variety of responsibilities. The overall responsibilities of the entire section are maintaining police records, conducting evidence fingerprint examinations, processing subpoenas and court documents, compiling and disseminating statistical information and processing firearm permit applications and registrations — including thorough background checks on each

individual applying for a long gun or handgun permit.

In Fiscal Year 2014–2015, the Records Section processed requests for 4,460 copies of criminal reports and 4,897 copies of traffic accident reports, the Firearms Section issued 4,335 firearms permits and registered 10,815 firearms, the Identification Section processed 18,931 court documents and 7,432 fingerprints, and the Evidence Section processed 6,461 photo receipts and 9,360 property receipts.

During the 2014–2015 Fiscal Year, the Hawai‘i Police Department requested reimbursement of \$468,172 in federal grant funds—which the **Traffic Services Section** oversees—for traffic enforcement and equipment purchases to improve traffic safety.

Police continued efforts to make Hawai‘i Island roadways safer by using the grant funds to pay for overtime for checkpoints and other enforcement projects aimed at reducing injuries and deaths in motor vehicle crashes by increasing seat belt use rates, apprehending impaired drivers, and enforcing laws pertaining to distracted drivers, speed regulations and “outlaw” road racing.

Other Traffic Services Section highlights include:

- ▶ 81 road closure permits issued
- ▶ 174 violation letters sent out to motorists
- ▶ 48 school crossing guard checks conducted
- ▶ 177 impound letters sent to owners of abandoned vehicles

Operations Bureaus

Area I—East Hawai‘i

Commanders: Assist. Chief Henry Tavares • Maj. Randy Apele

The Area I Operations Bureau includes investigative and patrol operations in East Hawai‘i. Its districts include Hāmākua, North Hilo, South Hilo and Puna—an area encompassing 1,685 square miles. A captain heads each of the four patrol districts.

Area II—West Hawai‘i

Commanders: Assist. Chief Paul Kealoha • Maj. Mitchell Kanehailua

The Area II Operations Bureau includes investigative and patrol operations in West Hawai‘i. The 2,345 square-mile area includes the districts of North Kohala, South Kohala, Kona and Ka‘ū, each headed by a captain.

Criminal Investigations Divisions

Commanders: Area I—Capt. Robert Wagner • Area II—Capt. Chad Basque

The Police Department's investigative operations fall under the Criminal Investigations Divisions—one in Area I and one in Area II.

CID commanders oversee the operations of

the Criminal Investigations Section, Juvenile Aid Section and Vice Section with operations in both Area I and Area II.

Area I also includes the Crime Lab in Hilo.

Criminal Investigations Sections (CIS)

Commanders: Area I—Lt. Gregory Esteban • Area II—Lt. Gerald Wike

Area I Criminal Investigations Section detectives investigate felony cases in the South Hilo, Puna, North Hilo, and Hāmākua Districts.

During Fiscal Year 2014–2015, Area I CIS investigated 1,776 crimes. Of those, 736 were burglaries, 309 were thefts and 329 were financial crimes. In comparison with the previous fiscal year, this represents a 6.7 percent decrease in the number of burglaries investigated, a 20.6 percent decrease in thefts and a 6.8 percent increase in financial crimes. The overall solution rate was 52 percent. Area I detectives investigated one murder case and seven attempted murder cases.

Area II Criminal Investigations Section detectives investigate felony cases in the South Kohala, North Kohala, Kona and Kaʻū districts.

During Fiscal Year 2014–2015, Area II CIS investigated 932 crimes. Of those, 237 were burglaries, 93 were thefts and 288 were financial crimes. In comparison with the previous fiscal year, this represents a 10 percent increase in burglaries, a 159 percent decrease in thefts, and a 3 percent decrease in financial crimes. The overall clearance rate was 66 percent. During this fiscal year, Area

II detectives investigated three murders, two attempted murder cases and one manslaughter case. Five of these cases were solved by the end of the fiscal year and two remain under investigation.

Among the many cases investigated by the Criminal Investigations Sections, the following were particularly noteworthy:

► In July 2014, detectives charged a 38-year-old Pāhoa man with attempted first-degree murder after he allegedly drove his vehicle toward police officers on Stainback Highway. As the suspect headed for one of the officers, the officer discharged his service weapon. The suspect sustained a non-life-threatening injury.

► In July, 2014, police responded to a report of a shooting at a home in Hōnaunau. At the house that was being rented by several tenants, police found a 52-year-old resident with a gunshot wound to his abdomen. The man later died from the injury. A 44-year-old man, who was also a tenant at the residence, was identified as the responsible person and was arrested at the scene. Detectives from the Area II Criminal Investigations Section executed a search warrant at the property and recovered a

-
- handgun. The suspect was later charged.
- ▶ In July, 2014, detectives with the Area II Criminal Investigations Section reclassified a suspicious death of an infant to murder following an eight-month investigation and recently-obtained autopsy results. On November 25, 2013, police responded to a report of possible child abuse and learned that an unresponsive 18-month-old boy had been taken to the hospital with multiple bruises reportedly from a fall several days earlier. The infant was later transferred in critical condition to another hospital on Oahu, where he died. Detectives with the Area II Criminal Investigations Section continued the investigation, assisted by the Honolulu Medical Examiner's office. Extensive testing and analysis was conducted, which required the use of a mainland laboratory. Detectives interviewed family members, a 42-year-old woman and a 43-year-old man, who were caring for the infant at the time of the reported fall. Following completion of the investigation, detectives deferred the case to the Office of the Prosecuting Attorney.
 - ▶ In October 2014, detectives charged a 21-year-old Hilo man with attempted second-degree murder after he allegedly used an edged instrument to cut a 21-year-old man who was trying to break up a fight. The victim sustained an 18-inch laceration to his neck area but survived.
 - ▶ In October, 2014, detectives with the Area II Criminal Investigations Section became involved in the investigation of a four-month crime spree involving numerous crimes that were committed island wide, including in the districts of Ka'ū, Kona, Puna and South Kohala. Detectives investigated reports of burglaries, criminal property damage, fraudulent use of credit cards, narcotics offenses, unauthorized control of propelled vehicles, unauthorized entry into motor vehicles and theft. Numerous search warrants were executed during the investigation. Investigation led to the arrest of six men for more than 80 felony criminal charges. Detectives also deferred to the Office of the Prosecuting Attorney several additional felony investigations involving five other individuals who were also associated with the crime spree. During the investigation, 16 stolen vehicles were recovered and returned to their owners.
 - ▶ In January 2015, a 43-year-old Hilo man was fatally stabbed numerous times during an attack in the grassy area above the bayfront soccer fields. Detectives were able to identify the suspect as a 21-year-old Honomū man, who was arrested and charged with second-degree murder.

Juvenile Aid Sections (JAS)

Commanders: Area I—Lt. Lucille Melemai /Area II—Lt. Gilbert Gaspar

The Juvenile Aid Sections are primarily responsible for the investigation of sexual assaults of adults and minors, domestic violence and other family-related crimes, and internet crimes involving child

exploitation. The Juvenile Aid Sections also investigate runaways, truants, curfew violators and juveniles involved in serious crimes.

The Juvenile Aid Section is divided into three specialized units: the Sex Crimes Unit,

the Domestic Violence Unit and the General Detail Unit. They receive training in domestic violence and sexual assaults, including sexual assaults involving children. Sexual assault nurse examiners are available to assist detectives in conducting forensic examinations on victims of sexual assault.

Area I collaborated with the Missing Child Center of Hawai'i to obtain a replacement canine due to the retirement of canine "Katie." The collaboration includes training an officer in Area I to become a canine handler. Once trained, their primary duties are to assist in locating missing children and Alzheimer's patients, although they also may be called upon to trail criminal suspects.

An officer in Area II JAS has additional training as a canine handler to assist in investigations of missing persons.

In January 2013, four new detectives were promoted into the Area I Juvenile Aid Section to replace recently retired or transferred detectives. They received training in domestic violence and sexual assaults, including sexual assaults involving children.

During the 2014–2015 fiscal year, the Area I Juvenile Aid Section investigated 660 cases—of which 193 were reports of sexual assaults and 195 were reports of domestic violence. This is in addition to 197 investigations of juveniles involved in serious crimes and status offenses (such as runaway, truancy, protective and placement services, and curfew violations), 75 other offenses related to sexual assault, domestic violence, juvenile offenses or personal-assist type of investigations, and 124 miscellaneous public bulletin reports investigated by the Area I Juvenile Aid Section.

During Fiscal Year 2014–2015, the Area II Juvenile Aid Section investigated 486 cases and 280 miscellaneous public incidents, including sexual assaults, domestic violence and other crimes against women, child pornography and other juvenile-related crimes, such as burglaries, robberies, thefts, child abuse and neglect, and other status offenses.

Among the many cases the Juvenile Aid Sections

investigated this fiscal year, the following were particularly noteworthy:

- ▶ In December 2014, Area I Juvenile Aid Section detectives conducted an assault investigation in connection with a domestic incident in the South Hilo District involving a man and a juvenile male, both family members. The juvenile male suffered a laceration and was taken to Hilo Medical Center for treatment. The man was arrested for a domestic-related assault and later charged with second-degree assault.
- ▶ In February, 2015, Area II Juvenile Aid Section detectives investigated sex assault allegations involving a female minor who reported that her 53-year-old uncle had been sexually abusing her over a six-year period. In March the suspect was interviewed and admitted only to kissing the victim. He consented to a polygraph exam scheduled for April 9. On April 5, however, the suspect was rushed to the hospital after ingesting the herbicide Round-Up. He died a day later.
- ▶ In April 2015, Area I Juvenile Aid Section detectives conducted a coroner's inquest investigation in connection with what was initially reported as a domestic incident in the Puna District involving an adult girlfriend and boyfriend. A woman was found unresponsive with a suspicious injury. She was taken to Hilo Medical Center, where she was pronounced dead. An autopsy revealed that she died of a medical condition and that the injury on her body was superficial, consistent with a fall to the ground, and did not contribute to her cause of death.
- ▶ In May 2015, Area I Juvenile Aid Section detectives assisted the FBI in locating a wanted fugitive out of Colorado. The fugitive was involved in a family abduction of a juvenile female. Detectives proceeded to the Puna District and developed intelligence about the whereabouts of the fugitive and child. As a result, the man was arrested in a small town in Texas within 11 hours from the time

detectives received the assignment. The girl was located and returned to her family.

- ▶ In May 2015, Area I Juvenile Aid Section detectives conducted a murder investigation in connection with an incident in the Puna District involving a father and son. The father was found unresponsive at his home with a projectile type wound. His adult son was arrested and later charged with second-degree murder.
- ▶ From July 2014 to October 2014, several burglaries were reported in the South Kohala District. Area II Juvenile Aid Section detectives were tasked with the

investigation after it was determined that the suspects might be juveniles. With the assistance of the Waikoloa community and information from concerned citizens, six male juveniles and an 18-year-old man were identified as suspects. The investigation determined that the suspects entered the victims' houses through unlocked doors and windows and removed money and personal valuables. Detectives were able to locate and apprehend all seven suspects. The investigation was forwarded to the Office of the Prosecuting Attorney for final disposition.

Vice Sections

Commanders: Area I— Lt. Mark Farias • Area II—Lt. Sherry Bird

The Vice Section is primarily responsible for preventing and suppressing all forms of commercialized vice activity, including prostitution, gambling, cruelty to animals and the importation and distribution of illegal narcotics such as crystal methamphetamine, cocaine, heroin, designer drugs and diverted prescription pills.

The Area I Vice Section has three narcotics detection canine teams with one being a dedicated canine team that focuses its investigative efforts on the importation and exportation of illegal narcotics and/or proceeds from narcotics distribution by focusing on parcel interdiction at the various mailing services at the two main shipping ports of entry and by conducting passenger screenings at the various airports.

Crystal methamphetamine (also known as “ice”) continues to be the greatest drug threat to the community, as the drug is continually being imported into the island from Honolulu

and the West Coast by way of body carriers and parcel services.

The abuse of pharmaceutical prescription drugs (known as “pharmaceutical diversion”) continues to remain an alarming drug threat in the United States, including in Hawai‘i County. It has been reported that pharmaceutical drugs—legally prescribed or diverted—were present in approximately 90 percent of the search warrants executed for illegal narcotics. The most commonly recovered pharmaceutical drugs during these investigations were oxycodone, hydrocodone, methadone and illegal steroids.

In November 2008, Hawai‘i County voters passed a bill for an ordinance making the adult personal use of marijuana the lowest law enforcement priority of the Hawai‘i Police Department. The bill prohibits the Hawai‘i County Council from accepting any federal funding for marijuana eradication. During the sixth year of this bill, the Hawai‘i Police Department’s Vice

Sections recovered 1,910 marijuana plants and 24,118 grams or more than 57 pounds of dried processed marijuana despite the absence of eradication missions. The Hawai'i Police Department continues to research and develop new ways to solve the problem of commercial cultivation and distribution of marijuana in the County of Hawai'i.

Abuse of medical marijuana laws, which were enacted in Hawai'i in 2000, also is common.

Vice officers belong to the Statewide Hawai'i Narcotics Task Force and are involved in joint operations with the Drug Enforcement Administration, Federal Bureau of Investigation, Immigration and Customs Enforcement, and the Bureau of Alcohol, Tobacco, Firearms and Explosives.

The Vice Sections are also a part of the Hawai'i High Intensity Drug Trafficking Area Task Force. They continue to strive to identify, infiltrate, and dismantle drug trafficking organizations in Hawai'i County from the street to the highest level.

In 2014–2015, Area I Vice Section officers conducted 1,249 drug investigations, resulting in 304 arrests and 1,132 charges. In addition, Vice officers recovered the following illegal drugs:

- ▶2.782 pounds of crystal meth
- ▶1,478 marijuana plants
- ▶53 pounds of dried marijuana
- ▶7 grams of heroin
- ▶107.01 grams of cocaine
- ▶1,308 assorted prescription pills

In 2014–2015, Area II Vice Section officers conducted 657 drug-related investigations, which resulted in 181 arrests for 512 charges. In addition, Area II Vice officers recovered the following illegal drugs:

- ▶14.41 pounds of crystal meth
- ▶432 marijuana plants
- ▶4.41 pounds of dried marijuana

- ▶18.5 grams of hashish
- ▶285.57 grams of heroin
- ▶329.3 grams of cocaine
- ▶57.8 grams of crack cocaine
- ▶604 assorted prescription pills

Among the many cases investigated, the following were particularly noteworthy:

- ▶In July–August 2014, Vice Officers executed search warrants on a 57-year-old man's Kaiwiki home. They recovered 32.4 grams of ice and drug paraphernalia. During the investigation that led up to the search warrant, officers conducted six prosecutable controlled purchases of 3.7 grams of ice.
- ▶In November 2014, the Area II Vice Section concluded a half-year investigation and executed a narcotics search warrant at a Waikoloa home occupied by a 46-year-old woman and 45-year-old man. Officers searching the house recovered 129.5 grams of methamphetamine, 15.1 grams of marijuana, 6.6 grams of heroin, one morphine tablet, various items of drug paraphernalia and \$901 in cash. The woman was charged with meth trafficking, promoting a dangerous drug, promoting a detrimental drug and two counts each of promoting a dangerous drug and possessing drug paraphernalia. The man was charged with promoting a dangerous drug, promoting a detrimental drug and possessing drug paraphernalia. The cash was seized for forfeiture.
- ▶In December 2014, Area II Vice Officers, including the Airport Task Force, collaborated with officers from the San Diego Police Department on a narcotics investigation involving a 31-year-old San Diego man who was distributing narcotics to a couple from the Big Island. Investigation revealed that a 35-year-old woman and a 34-year-old man had traveled from Kona to San

Diego for the express purpose of purchasing narcotics from the San Diego man and that they planned to “body carry” the narcotics back to the Big Island. Task Force Officers executed search warrants on the man and woman after they deplaned their flight at Kona International Airport at Keahole. From the woman’s property, officers recovered several bundles of narcotics, each wrapped in black electrical tape, totaling 127.4 grams of methamphetamine, 114.5 grams of cocaine, 178.7 grams of black tar heroin and 15 grams of powdered ecstasy (“molly”). The methamphetamine was concealed in a candle that had been melted down with the wax poured around the narcotics. From the man’s property, officers recovered three bundles of narcotics, each wrapped in black electrical tape, totaling 91.3 grams of methamphetamine. The woman was arrested and charged with meth trafficking, two counts of promoting a dangerous drug and possessing drug paraphernalia. The man was arrested and charged with meth trafficking and possessing drug paraphernalia. Officers with the San Diego Police Department arrested the San Diego man and located narcotics in his home.

► In February 2015, the Area I Vice Section collaborated with the Department of Homeland Security on an investigation involving a 23-year-old methamphetamine/MDMA distributor who was identified on a social media site attempting to purchase narcotics to distribute on Hawai‘i Island. A parcel containing pseudo MDMA was delivered to him and a search warrant was subsequently executed on his Hilo home, where officers recovered 140.4 grams of “moon rocks” a crystalline, smokable form of MDMA along with diverted

prescription medication, marijuana and paraphernalia associated with its distribution. In addition, \$433 in cash was recovered for forfeiture.

► In March 2015, Vice Officers executed search warrants on a 31-year-old man’s Waiakea home and gamecock farm. They recovered 3,516 grams (7.75 pounds) of methamphetamine and paraphernalia associated with its distribution. Also recovered were \$6,076 in cash and a 2014 Toyota Tacoma Double Cab pickup truck, valued at approximately \$32,000, for forfeiture.

► In March 2015 Vice officers executed a narcotics search warrant on a 29-year-old man’s Ainaloa home, where they recovered 48.5 grams (1.104 pounds) of crystal methamphetamine and paraphernalia associated with its distribution.

► In April 2015, Area II Vice Officers executed search warrants on a 40-year-old man from Oceanside, California, after officers continued an investigation that indicated he would be importing heroin to the Big Island using the internal “body carrying” method. Officers contacted him at Kona International Airport at Keahole after he exited a United Airlines flight originating from Los Angeles. After executing a search warrant on items he was carrying, officers were unable to locate any narcotics. He was taken to Kona Community Hospital, where X-Rays authorized by a search warrant revealed plastic bags located in a body cavity. Officers recovered three plastic bags containing approximately 8.7 ounces of heroin and 4.6 grams of methamphetamine. The man was arrested and charged with meth trafficking, two counts of promoting a dangerous drug, criminal conspiracy and possessing drug paraphernalia.

Crime Lab

Supervisor: Criminalist III Kathy Pung

In Fiscal Year 2014–2015, the Crime Lab acquired two replacement hires, Evidence Specialist I Paige Green, and Criminalist I Christine Lawler.

The Crime Lab completed 1,363 cases, compared with 1,630 in Fiscal Year 2014, 1,583 in Fiscal Year 2013, and 1,488 in Fiscal Year 2012. Crime Lab casework consisted of 865 drug cases, 450 latent print cases, 31 firearms cases, 14 biological cases and three forensic computer cases.

Crime Lab personnel conducted 51 in-service training sessions for Area I and Area II Operations, with 388 personnel receiving Crime Lab related forensic services training. The Evidence Specialists assisted in 90 call-outs that included major crime scenes, traffic fatalities, autopsies and requests for specialized evidence processing. Crime Lab personnel provided community service through public speaking engagements such as the Onizuka Science Day Program.

In Fiscal Year 2014–2015, the Crime Lab received a Coverdell Forensic Science Improvement grant of \$25,641 for training and to purchase an updated analytical balance. With grant funds, Crime Lab personnel were able to attend various training events which included the International Association for Identification Annual Educational Conference, American Academy of Forensic Sciences Annual Scientific Meeting, Clandestine Laboratory Investigating Chemists Annual Technical Training Seminar, and a Balance Uncertainty training hosted by the HPD-SIS laboratory. Through grant funds, the Crime Lab was able to provide specialized training in Crime Scene Photography, Basic Crime Scene Processing, and Tire Track and Footwear Impressions by HPD-SIS laboratory personnel for Crime Lab personnel and for Area I and Area II detectives and officers and Fire Department Investigators.

Area I Patrol Districts

Hāmākua District

Commander: Capt. Andrew Burian

Area: 223 square miles / Authorized sworn positions: 18

The Hāmākua District ended the 2014–2015 fiscal year with a decrease in burglaries, having 18 reported cases compared with 25 from the previous fiscal year. Four of the burglaries were solved, for a clearance rate of about 22 percent. The number of reported thefts remained at 70, with a clearance rate of 36 percent.

Traffic enforcement remains a priority in the Hāmākua District. Major traffic collisions decreased from 49 to 38 in Fiscal Year 2014–2015. Hāmākua Patrol officers issued more than 2,000 citations. Of those, 535 were for speeding and 134 were for seat belt or child restraint violations, and 72 were for use of an electronic device while driving. Emphasis on traffic enforcement remains an important motivator for reducing the number of major

traffic accidents.

The school resource officer assigned to Honoka‘a Schools remained active, working with school administrators and facility at Honoka‘a and Pa‘auilo Schools to reduce incidents of bullying, truancy, thefts and drug activity.

Through the year, the Hāmākua District Community Policing officer and school resource officer continued to work together with Neighborhood Watch organizations, schools and other community organizations to address various community concerns. Some of the major community events with which they were involved included the Annual Western Week parade and block party, Honoka‘a Peace Day fair, and the popular First Friday events in Honoka‘a.

The North Hilo District at Ka‘ala Gulch and the South Kohala District at Lakeland form the boundaries of the Hāmākua District. Its police station is located at 45-3400 Māmāne Street in Honoka‘a Town.

North Hilo District

Commander: Capt. Andrew Burian

Area: 144 square miles / Authorized sworn positions: 13

In Fiscal Year 2014–2015, the North Hilo District had a decrease in reported burglaries, with 19 burglary reports being filed compared with 23 the year before. Of the 19 burglary investigations, three were closed, for a clearance rate of 16 percent.

Theft cases dipped from 45 down to 28 cases. Officers were able to solve 11 of the theft cases, for a clearance rate of 39 percent.

The district logged 31 major traffic accidents, versus 38 in Fiscal Year 2014–2015. Unfortunately, there was one traffic fatality in

the North Hilo District in June of 2015.

As in other districts, traffic enforcement in North Hilo is an important part of police work, as it makes our roads safer. North Hilo District patrol officers issued more than 1,500 citations in the fiscal year. Of those, 538 were for speeding and 74 for seat belt or child restraint violations.

The North Hilo Community Policing

officer often works in partnership with the Hāmākua District Community Policing officer and school resource officer to better serve the community. In the North Hilo District, they assisted with two Drug-Free Bash celebrations with the Queen Lili‘uokalani Children’s Center, Big Island Biker Fest at Laupāhoehoe Point, and Laupāhoehoe Music Festival.

The Hāmākua District at Ka‘ala Gulch and the South Hilo District at Hakalau Gulch form the boundaries of the North Hilo District. Its police station is located at 36-2285 Pu‘uvalaea Homestead Road in Laupāhoehoe just west of the 25-mile marker off Old Māmalahoa Highway.

South Hilo Patrol

Commander: Capt. Richard Sherlock

South Hilo Patrol, the Police Department’s largest staffed patrol division, is situated on the ground floor of Building B at the Public Safety Complex, 349 Kapi‘olani Street. Patrol officers also operate out of the Mo‘oheau Bus Terminal mini-station.

South Hilo Patrol provides 24-hour police services to the South Hilo District and operates the East Hawai‘i Detention Center, which houses pre-trial detainees for the four police districts that comprise Area I Operations. Other services provided by the South Hilo Patrol Division include Community Policing, school resource officers and the reserve police officer program.

During Fiscal Year 2014–2015, South Hilo Patrol served 3,561 court documents, including bench warrants, penal summonses, subpoenas and restraining orders. Officers responded to 402 major traffic accidents in

South Hilo this fiscal year compared with 425 the previous fiscal year. In the area of traffic enforcement, police made 199 drunken driving arrests and issued 1,558 speeding citations and 742 seat belt citations. Overall, officers issued 11,720 traffic citations.

Robberies in South Hilo decreased by 32 percent. Twenty-four robberies were reported this fiscal year compared with 35 reported last year.

Thefts increased from 2,267 last fiscal year to 2,536 this year.

Burglaries decreased this fiscal year to 390 compared with 495 last year, a reduction of 22 percent. A significant decrease in burglaries occurred between the months of March 2015 and June 2015.

Theft of motor vehicles increased 75 percent this fiscal year to 333 compared with 193 last fiscal year. Two task forces were assembled using personnel from Puna,

Hāmākua, and the Criminal Investigations Section to address the rising thefts of motor vehicles in East Hawai‘i. The first task force concluded in July of 2014, resulting in 19 persons arrested, 43 criminal charges, and the recovery of four stolen vehicles. The most recent task force was initiated in January of 2015 and resulted in the arrest of 13 persons, 39 criminal charges initiated,

and the recovery of three stolen vehicles.

Police initiated 108 reported sexual assault cases compared with 72 the previous fiscal year.

Assaults increased as reported from last year from 385 to 438.

Police investigated two murder cases in South Hilo this fiscal year compared with one last fiscal year.

The South Hilo District occupies the area between the North Hilo District at Hakalau Gulch and the Puna District at Pāpa‘i. Its police station is located at 349 Kapi‘olani Street.

Puna District

Commander: Capt. Samuel Jelsma

Area: 683 square miles / Authorized sworn positions: 59

The district of Puna is larger in land mass than the entire island of Oahu or the cities of Los Angeles and Philadelphia combined. In terms of population, it has been described as the fastest-growing district on the island.

Fifty-one police officers, six sergeants, one lieutenant and one captain position are designated for the Puna District. Additionally, the district has four volunteer reserve officers and three civilian staff members.

The primary Puna District station is located just outside Pāhoa Village on Highway 130. The Kea‘au substation is located in Kea‘au town off Old Volcano Road.

Community Policing Officers in Puna work with 10 Neighborhood Watch groups in crime prevention, community awareness and problem solving. The Community Policing officers continue working with local businesses and farmers with the Kea‘au Agriculture Watch in response to agricultural thefts and illegal hunting in the Kea‘au area. Some of the largest landowners

and farm groups in the area are part of the watch.

Improving the quality of life is a police and community priority in Pāhoa town. The Community Policing and Patrol officers conduct crime reduction details and walking patrols to increase police presence in town.

Fiscal Year 2014–2015 saw two major natural disasters impact the Puna District significantly. The “June 27” lava flow marched toward Pāhoa town for several months, crossing Apa‘a Street, destroying one home and entering the Pāhoa Transfer Station property in early November. The flow remains active near the Pu‘u‘o‘o vent but stopped several hundred yards short of crossing Highway 130, just above the Pāhoa police station in March. In early August, Hurricane Iselle traveled across the Pacific toward Hawai‘i Island. The storm reached peak intensity as Category 4 hurricane on August 4 with maximum sustained winds of 140 miles per hour. Iselle approached Hawai‘i Island as a Category 1 hurricane and made landfall in the Ka‘ū

District as a tropical storm on August 7. This storm devastated Hawai‘i Island and hit the Puna District especially hard; power and other utilities were out for weeks in some areas and clean-up and recovery took months.

During this fiscal year, Officer Bronson Kaliloa was honored by his peers and supervisors as “2014 Puna Patrol Officer of the Year” for his outstanding dedication, efforts and work ethic.

Overall, criminal cases initiated in the

Puna District decreased with 6,277 cases initiated in Fiscal Year 2014–2015, compared with 6,350 the previous year. This represents a decrease of 73 cases or just over one percent.

For the fiscal year, burglaries decreased slightly (403 compared with 410 the previous year), and thefts were up 26 percent (1,156 compared with 858 the previous year).

The Puna District served 2,434 court papers in Fiscal Year 2014–2015 compared with 2,337 the previous year.

The Puna District is situated between the South Hilo District at Pāpa‘i and the Ka‘ū District at Keauhou Landing. Its police station is located in Pāhoa at 15-2615 Kea‘au-Pāhoa Road.

Area II Patrol Districts

North Kohala District

Commander: Capt. Albert Jason Cortez
Area: 123 square miles/Authorized sworn positions: 16

During Fiscal Year 2014—2015, the North Kohala District experienced a slight increase in the number of reported burglaries (19 cases compared with 13 cases last fiscal year). Reported assaults were down (18 cases compared with 23 cases the previous fiscal year), and thefts were up (62 cases compared with 59 cases the previous fiscal year).

A Police-Community meeting was held at the Kohala Intergenerational Center, where members of the community voiced their concerns to the Police Chief and his command staff.

In response to community concerns about speeding in the district, North Kohala Patrol Officers issued 639 speeding citations this fiscal year (compared with 637 the previous fiscal year).

The number of major traffic accidents

decreased slightly (from 25 to 18) with no fatalities.

The “Kohala Project Grad Night,” in its sixth year, was again a huge success with almost 100 percent participation. In partnership with many organizations, Community Policing participated toward its continued success.

The North Kohala Community Policing officer participated with the community in annual events, including the Kamehameha Day Parade, Skate Day, Easter Egg Hunt and Toys for Tots. HI-PAL activities at Kohala Elementary and Middle School have begun, with the Community Policing Officer, to include kickball and dodge ball. Monthly articles in the *Kohala Mountain News* are contributed by the Community Policing officer to address police and community concerns.

The North Kohala District is bounded by South Kohala at Kai'ōpae and Hāmākua at Honopue. Its police station is located behind the Kamehameha statue in Kapa'au at 54-3900 Akoni Pule Highway.

South Kohala District

Commander: Capt. Randall Medeiros
Area: 688 square miles/Authorized sworn positions: 34

The South Kohala District experienced a moderate increase in property crimes during Fiscal Year 2014–2015. Burglaries increased by 8 percent to 53 reported burglaries, thefts (including vehicle break-ins) increased by 27 percent to 352, and auto thefts increased by 56 percent to 30

reported stolen vehicles. Patrol officers cleared 37 percent of burglaries and 55 percent of theft cases (including vehicle break-ins). This is the first time in four years that there has been any increase in reported property crimes in the South Kohala District.

Drug cases increased 22 percent to 154

as a result of proactive investigations to interdict criminal activity associated with drug use and distribution within the South Kohala community. Throughout the year, Community Policing officers conducted search warrants and traffic stops that led to the recovery of drugs and numerous illegal firearms.

South Kohala patrol officers' traffic enforcement was down to 5,648 citations

compared with 7,596 citations during the previous fiscal year. DUI arrests also decreased to 107 compared with 135 the previous fiscal year and resulted in no DUI related traffic fatalities for this period in the South Kohala District.

Officers conducted 146 major traffic investigations and 431 minor traffic investigations for a total of 577 collisions, which reflect a 4 percent increase over the last fiscal year.

The South Kohala District covers the area between the North Kohala District at Kiowa and the Kona District at Kaua'i Point. Its police station is located at 67-5185 Kamāmalu Street in Waimea.

Kona Patrol

Commander: Capt. Randal Ishii

Area: 834 square miles / Authorized sworn positions: 83

The Kealakehe police station serves as the main station for the Kona Patrol Division and houses a cellblock detention section, firearms registration section and an evidence section.

During Fiscal Year 2014–2015, Kona Patrol clerks processed 2,946 firearms registrations, including handguns, rifles and shotguns. Of these registered firearms, 1,660 were imported from outside the state.

The evidence section, which is staffed by two evidence custodians, is responsible for the storage and preservation of more than 75,000 pieces of evidence recovered in criminal investigations. The preservation of these pieces of evidence is critical to the successful prosecution of criminal cases. Evidence is stored at the main Kealakehe police evidence room as well as a newly acquired warehouse owned by Hawai'i County in the Kaloko area. The installation of a new vehicle evidence lot in the main station rear parking lot began at the end of the fiscal year and is due to be completed soon so that vehicles can be stored in the Kona

District rather than be transported across the island to a warehouse in Puna.

After losing more than a dozen officers due to retirement and resignation, Kona Patrol welcomed 10 new police officers who graduated from the police recruit program in January 2015. Additionally, one interdepartmental transfer officer was completing field training at the end of the fiscal year and was due to join Kona Patrol soon thereafter.

Kona Patrol officers responded to more than 9,269 criminal complaints and more than 17,611 calls for service related to non-criminal complaints, such as minor nuisances or persons needing assistance.

They also issued 17,173 citations, of which 1,377 were for speeding violations. In a department-wide effort to combat distracted driving, Kona Patrol officers issued 787 citations for using an electronic device while driving. In addition, 334 drivers were arrested on suspicion of driving while under the influence of alcohol or drugs.

The Kona District received 11,367

court documents and served 3,079 court documents.

The Kona Community Policing Unit is headed by a police sergeant and consists of seven Community Policing officers and two school resource officers.

The Community Policing officers focus on addressing community-related issues in the North and South Kona areas. Their responsibilities also include bicycle patrol in the Ali'i Drive area and beach sweeps to ensure the safety of the tourist community and businesses and to address the growing number of transient homeless persons attracted to the

warm climate. Their problem-solving efforts include crime reduction details and spearheading Neighborhood Watch groups.

The school resource officers are assigned to Konawaena Middle School and Kealakehe Intermediate School. In addition to teaching DARE classes, they provide students with information on anti-bullying, internet safety, laws and ordinances, and a variety of other topics. The school resource officers establish a rapport with the students so that they perceive police officers as more approachable. They provide a liaison between the school and the Police Department.

The Kona district occupies the area between the South Kohala District at Waikoloa and the Ka'ū District at Kaulanamauna. Its main police station is in Kealakehe at 74-611 Hale Maka'i Place. In addition to the main station, the Kona district has two sub-stations. One is located at Hale Halawai in downtown Kailua-Kona and the other is in Captain Cook.

Ka'ū District

Commander: Capt. Burt Shimabukuro

Area: 700 square miles / Authorized sworn position: 24

During Fiscal Year 2014–2015, Ka'ū Patrol Officers investigated 75 major traffic accidents, which is the same number as in Fiscal Year 2013–2014. A total of 2,797 citations were issued. Of those, 675 were for speeding and 175 were for seat belt or child restraint violations.

Ka'ū Patrol officers investigated more than 1,311 incidents as well as responding to 3,145 calls for services of non-criminal complaints. Officers investigated 56 burglaries, an increase from the 48 cases initiated in the previous fiscal year. Theft and unauthorized entry into motor vehicle cases decreased to 141 from 186 the

previous fiscal year.

The district received 692 court documents and served 591 court documents.

Community Policing officers continue to work with Neighborhood Watch groups in Discovery Harbor, the Green Sands subdivision and Hawaiian Ocean View Estates to maintain community support and awareness. They were also involved in the teaching of DARE classes, school presentations on anti-bullying, Ka'ū Christmas Keiki ID, addressing the district's homeless occupation of vacant homes and former business buildings, and presentations to the elderly on property crime prevention and scams.

The Ka'ū District is bounded by the Kona District at Kaulanamaua and the Puna District at Keauhou Landing. Its police station is located at 95-5353 Māmalahoa Highway in Nā'ālehu.

Traffic Enforcement Unit (TEU)

Commanders: Area I—Sgt. Christopher Gali • Area II – Acting Sgt. Justin Hooser

The Traffic Enforcement Unit is split into two divisions consisting of Area I and Area II. They are charged with investigating traffic crashes involving death or serious injury while conducting traffic enforcement and training related to traffic enforcement and investigation.

In Fiscal Year 2014–2015, Area I investigated two fatal crashes that killed two people. One of those fatal crashes involved drugs and the other involved both drugs and alcohol.

Area I TEU officers conducted 84 DUI sobriety checkpoints, arrested 142 drivers who were under the influence of intoxicants, and conducted 91 seat belt and distracted driver checkpoints. The officers also issued 4,046 moving citations, of which 1,089 were for speeding. They issued 2,091 regulatory citations and made 91 other arrests.

Area II TEU officers investigated 13 fatal crashes that killed 16 people. Eight of those fatal crashes occurred between January and June 2015. Six of them involved both alcohol and drugs. Alcohol alone was a factor in three of the fatal crashes and drugs alone were a factor in three of the fatal crashes.

| Fatal Traffic Crashes | |
|--------------------------|-----------|
| Alcohol related | 3 |
| Drug related | 4 |
| Drug and alcohol related | 7 |
| Not impaired | 1 |
| Total | 15 |

Area II Traffic Enforcement Unit conducted 69 DUI sobriety checkpoints and arrested 45 drivers who were under the influence of an intoxicant. They also conducted 37 seat belt and distracted driver checkpoints and issued 266 seat belt citations, 60 child restraint citations and 110 mobile electronic device citations. They issued 4,600 citations of which 1,182 were moving citations, 2,248 were speeding citations, 563 were regulatory citations, six were loud muffler citations, three were boom box citations, two were littering citations, 23 were parking citations, two were abandoned vehicle citations, and 134 were unsafe motor vehicle citations. Area II TEU Officers also made 43 other arrests.

Grants

The following grants were funded by state or federal agencies during Fiscal Year 2014–2015:

‘Click It or Ticket’ Basketball

To increase the number of youths and adults being informed or educated regarding the importance of wearing a seat belt and restraining young children in a child safety seat during “Click It or Ticket” events. To reduce fatalities and injuries to occupants aged 17 and under during motor vehicle collisions. This was accomplished by improving awareness of state laws to increase the seat belt usage rate of youths and teens ages 4–17.

DATA Grant

To establish a statewide traffic data system and ensure compliance with national standards.
